

24.5.39

Dear Mr. Barry Walsh,

I am asking Mr. Hale to send you
500 copies of the pamphlet & six copies of "Uster & the
Pontifical Empire, 1939. Help & Hindrance." I should have
sent you the pamphlets long ago, but I have been badly under the
weather from a sheet accident and the flu. I hope to
look you up as soon as I can get about again.

Yours sincerely,
Henry Harrison

P.S. When I find out what stocks of the pamphlet are
available I may be able to send you some more.

H.H.
